

*To all concerned*

*At Hydraulique Méditerranée we are proud to be present at this year's edition of the Monaco Yacht Show.*

*Specialized in the sale, service and maintenance of hydraulic systems on Superyachts and sailing yachts cruising the western Mediterranean, we are pleased to announce the launch of the Jam Trimmer™. After a long period of development we are now commercializing our new hydraulic fine tuning equipment for halyards, sheets, outhauls and various other applications.*

*We are looking forward to greeting you on our stand QS6 Darse Sud in Monaco.*

*All the best*
